MAGS 2008 SEASON INFORMATION

Welcome to the MAGS league! We're excited to have your daughter playing and hope she has a great time on the fields this season. If you have any questions or concerns throughout the season, please feel free to contact any board member (phone and email contacts are on our website).

President – Larry Matko
Vice President – Cathy Mack
Equipment Mgr – Rich Lordo

Treasurer – Tracey Weber
Secretary – Joyce Dunlap

The league runs strictly on volunteers. We can use your help. How? In many different ways. We need to take care of field maintenance, concessions, fund raising, opening day, annual picnic, and many other items. Have some time you can give? Ask any of us and we'll be glad to get you involved. The more hands we have helping, the less work for everyone involved.

MAGS holds its monthly meetings on the 3rd Monday of each month throughout the year. Meetings are held at the Mars Methodist Church in Mars at 7 PM. All parents are encouraged to attend monthly meetings. After you have attended two consecutive meetings, you have the right to vote on any league issue.

The MAGS board consists of the following positions:

The Vice President and Secretary positions will be up for election in October this year (even numbered years). President, Treasurer, and Equipment Manager positions will be up for election next year (odd numbered years). If you are interested in taking on a board position at the end of this season, please see any board member. Your help is needed!

Following are tentative dates for the 2008 season:

- March 24 **Parents Meeting**

- May 3 **Opening Day**

If you are available to help at any of the fields or events, please contact any board member, your coach, or email info@marsareasoftball.com.
