

Dear Merchant,

January 9<sup>th</sup>, 2010

The Mars Area Girls Softball League consists of over 200 girls, ages 5 through 18. To offer support to these young ladies, the league is preparing a program book that will be distributed to all families in the league.

We are hoping your business will be able to support the summer's largest girls softball group by placing an advertisement in our program book.

Simply check (X) the ad size you would like and attach your business card or prepared ad copy. Checks can be made payable to "Mars Area Girls Softball".
